SSCOOTERSMART
Independence & safety in lifestyle mobility

The Scooter Smart 390 has been designed for those looking for an indoor mobility scooter with a little more power than most.

This model includes an upgraded 250W motor, 9 inch tyres, ground clearance of 46mm & has a top speed of 7.8km/h. You can even lock your valuables in the rear boot.

The SS-390 is predominantly used indoors in shopping centres, aged care facilities and the like.

This is great little scooter.
