

BECOMING A SCOOTER SMART DEALER

“We are always looking for proactive, professional individuals and businesses to carry the Scooter Smart brand forward. If you feel you fit these criteria, please feel free to contact me and I would be happy to discuss a Scooter Smart future with you further.”

Owen Osborne - Scooter Smart Director

Do you like sales and service? Do you like working with a demo-graph that knows what they want? Do you have a sales background? Do you want to set your own hours?

Perhaps a Scooter Smart dealership is for you.

Scooter Smart already provides continual support to a range of Dealers throughout Australia, assisting to ensure they provide a quality service to their local communities.

Scooter Smart may be able to assist you to set up your own business within a very rewarding industry. This opportunity would allow you the flexibility to be your own boss, set your own hours and assist our ageing population to maintain independence and safety whilst keeping mobile.
