SSCOOTERSMART
Independence & safety in lifestyle mobility

The Scooter Smart Wheel Chair is a quality product manufactured for ease of use and value for money.

As a truly versatile indoor wheelchair, the SS-WC-01 is manufactured to easily get you from A to B without fuss. Its light weight components mean convenient transportation and storage whilst retaining comfort for those longer strolls.

Made from steel and powder coated for durability, this wheel chair is manufactured for longevity.

The SS-WC-01 is predominantly used for indoor applications e.g. shopping centres, aged care facilities and the like.
